WA elections ARE secure

- Bar codes ensure one person = one ballot
- Ballots are retained for audit

But!

USPS delivery can be unpredictable, so

Use Drop Boxes instead.

Turnout Matters

Have you heard this?

"My vote doesn't matter"
"The same people will win no matter what I do"

Not True!

More voters → more definitive result.
Politicians pay attention!

Hungary showed that large turnout can even overturn dictators.

The Best Way to Support Elections

Just talk to people.

Studies show talking with someone you know encourages voting more than any other GOTV method.

"Are you planning to vote this year?"

**Talk to 5 people.
Encourage them to talk to 5 people.**
